VEVYE® ACCESS FOR ALL

with PhilRx

vevye® (cyclosporine ophthalmic solution) 0.1%

Harrow has partnered with PhilRx to ensure your patients receive their **first prescription of VEVYE at the lowest possible cost** with minimal effort from your practice.

WHY PHILRX?

- Commercially insured patients may pay as little as $0*
- It's easy: prescribe via EMR, no hub forms!
- Support for any required prior authorizations
- **FREE** shipping to your patients

$59* CASH PAY

available for eligible patients

90-day supply for $165*

HOW IT WORKS:

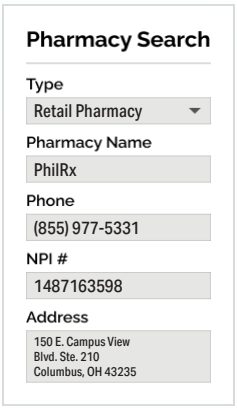

1. Send the Rx to PhilRx directly from your EMR and your patient will receive a text within minutes confirming their prescription has been received!

   To send an Rx:

   - Search "PhilRx" in the EMR retail pharmacy finder. You can search by **phone number, NPI, or address**
   - Fax a prescription to **888.975.0603**
   - **Call a prescription in via phone at 855.977.5331**

   To minimize callbacks, please include:

   - Patient phone number
   - Chart notes (Rx tried and failed and ICD-10 in the Rx notes to pharmacist)

2. If a prior authorization (PA) is required, PhilRx will assist with the PA form and fax you the CMM key to submit.

3. Receive weekly prescription status reports, including shipped prescriptions, pending patient enrollment, and prior-auth submissions needed.

Email mdsupport@phil.us **Online** my.phil.us **Phone** (855) 977-5331

*Terms and Conditions: For patients whose prescriptions are covered by commercial insurance, use of this card may reduce your copayment so that you may pay as little as $0. For patients whose prescriptions are not covered by commercial insurance use of this card may reduce your cost for prescriptions to as little as $59. For full terms and conditions, please visit vevye.com/accessforall.
